**Donald Hinspeter
Weds Joliet Girl**

Mary Lou Knop, 1302 Kinsey ave., Joliet, was married to Donald Hinspeter, son of Mr. and Mrs. Eugene Hinspeter, Frankfort, in a pretty ceremony performed Feb. 13 in the First Lutheran church, Joliet. She is the daughter of Mr. and Mrs. William Knop.

The double ring ceremony was performed by Rev. John A. Goeken, DD, before an altar decorated with palms and white gladioli. Billy Knop and Kenneth Wagner lit the candles and Anne Fyfe served as organist. Mrs. William White and Fred Fisher were soloists.

The bride, given in marriage by her father, wore a classic gown of Chantilly lace and nylon tulle over sculptured satin, fashioned with a portrait collar, tapered sleeves, basque bodice and a bouffant redingote skirt of lace falling into a chapel sweep over folds of tulle. Her fingertip veil was held in place with a Dresden cloche accented by lace petals adorned with seed pearls.

She was attended by her sister, Mrs. Verne Aldworth, who wore aqua silk with matching hat. Bridesmaids, Mrs. George Sangmeister Jr., Anita Maske, and Theresa Gallagher wore lavender silk with matching hats. George Sangmeister Jr. served as best man, and ushers were Verne Aldworth, Robert Bookwalter and Lloyd Tomany.

The groom's mother chose pink with navy accessories. Mrs. Knop wore eggshell faille with black. Both had orchid corsages presented by the bride.

A reception was held in the church parlors, with Mrs. Lloyd Tomany and Mrs. Robert Bookwalter pouring. Pat Cipriani cut the cake. The couple left on a two week trip through the southern states and will make their home near Frankfort.

GOP BANQUET

The oldest existing Republican organization in the State of Illinois, the John Ericsson Republican league, will hold its 60th consecutive annual convention, Saturday, March 6 in the Louis Joliet hotel at Joliet. The speaker for the banquet will be Senator Everett M. Dirksen, Republican senator from Illinois.

"Many hearts were saddened on that Sunday morn., when they heard that the little country church was gone."

The resurrection of a church is experienced by a congregation with feelings of joy and anticipation for ultimate outcome, the dedication of the building.

When fire destroyed the Homer Congregational church in March of 1952, the sorrowful parishioners met the same day to formulate plans for building a new one. Hardly were the last embers burning when they had raised \$1,000 for that purpose.

Two years of working and praying will come to a triumphant climax for members of the congregation, their neighbors and friends, when the new edifice will be dedicated Sunday. Rev. Harold M. Finley, who has been formerly associated as pastor will give the dedication sermon for the 2 p.m. program, which will be opened by Rev. Arthur E. Talbert, Homer pastor. The dedication litany will be given by Dr. John M. Phillips who presided at the cornerstone laying, and an address by Dr. Walker Alderton of the Theological seminary, Chicago. There will be special music appropriate to the occasion, and refreshments will be served.

In 1833, God-fearing people in Homer township travelled as far as 10 miles to come together for religious worship; over long tortuous trails, often thru swamp and timber. Only 300 people were settled in Chicago at the time, and distances were much longer than they are today with modern transportation. The Homer people met in each other's homes for two years, and in 1835 joined the Chicago Presbytery as the Hadley Presbyterian church. In 1850 it was decided to turn Congregational.

Henry Burch, 89 year old pioneer, remembers well the day of dedication in 1865, when the first building became a reality. It was a landmark of Civil War days, and contained many precious relics of the period. In 1928 the basement and heating plant were added. Several descendants of original families who organized the church are members now.

"And they had to ask God's blessings elsewhere until the day a new church is built and they can come and pray."

Shortly after the disastrous fire, which had taken a toll of \$15,000, the courageous parishioners went to work sawing wood from trees on members' grounds, to provide the lumber, and started to build. Services took place in the basement portion, already erected at Christmas time, and continued there until the summer of 1953. Contractors Christel Koehler and Wrey White took over the construction work, erecting the frame and veneering with tan brick. The steeple is like that of the old church. In the interior are a spacious kitchen, assembly room seating 100, two Sunday school rooms and three rooms on the main floor. The white plaster walls are attractively set off by the light natural oak woodwork, and red carpeting.

The will and determination of the Homer worshippers has brought the debt for the \$39,000 building to a modest \$5,000. It stands today, a new, living monument to the spirit of its people, a work of sentiment and love of those who thought it could be built and went ahead to build it.

**Reckless Driving
Ban in Sunny Acres**

Speeding and reckless driving in the Sunny Acres subdivision was among the matters taken up last week at the monthly meeting of the Sunny Acres Home-owners association in the VFW hall, Mokena.

A number of teenage boys have been racing their cars up and down the streets without lights, and causing damage to at least two cars belonging to residents. The matter has been reported to the Will county sheriff, who has promised his cooperation in apprehending the offenders.

The association is planning to buy residential speed signs in the near future.

Mrs. Bertha Tischer was elected to fill the office of secretary. William Blaha gave a report of a meeting he attended in the Illinois building, Chicago, regarding the sewage and storm water problems in Cook, Will, Lake and DuPage counties.

**LEGION WILL
GIVE CITATIONS
TO VETERANS**

The Bobzin-Swinford, American Legion Post 1098, Frankfort, Ill., will honor the Korean veterans from the Frankfort area by giving them the American Legion citation during ceremonies to be held Sunday evening, March 21, in the Frankfort gym starting at 8 p.m. They invite the public to attend.

Initiation of new members also will be held. The ceremony will be handled by the championship ritual team from the Roosevelt Aurora American Legion Post, from Aurora.

The Bobzin-Swinford Post would like the names and addresses of all the Korean veterans from this area who have received their discharges, and would like to have them present on March 21, so District Commander H. T. (Tiny) Seger, Hinsdale, can do the honors for the Legion. Korean vets who can be in attendance are asked to notify Adjutant Clarence Heisner, at Frankfort 2482, or Mrs. Peter Homering, at Mokena 3543, for the Korean veterans living in Mokena.

The post also extends to all veterans the honor and privileges of belonging as members to the largest veterans organization, the American Legion and to take an active part in its many programs. Bobzin-Swinford Post has sponsored numerous projects in the past for the youth of this area and is now sponsoring basketball and Junior Legion baseball programs. They need more members to take part in fulfilling the program, and say there is a place for all.

**BOARD DENIES
REQUEST TO
VACATE LAND**

The Frankfort Village board, at its regular meeting Monday took under advisement the request of Herbert Folkers that a plot of land he owns, and which was laid out in lots in the original plot of the village, be vacated and turned back to acreage.

His lots are on the north side of the village and adjoining the William Kampe farm and run to route 45. The matter was thoroughly discussed with the board's attorney, A. H. Krusemark present. Mr. Folkers claims that his taxes would be cheaper. He had made the same request in 1948 and 1949. A. H. Krusemark Sr., village attorney at that time, studied the matter carefully and recommended that the village not vacate the land as lots.

At Monday's meeting the board went on record as standing by the recommendation. Folkers asked whether it would be necessary to have summonses issued for the board and to individual members. He said he had brought the matter of the lots up again because of the presence of new members of the board. According to Village president George Sangmeister: "The Joliet papers have given us unjust publicity such as 'Frankforters neglect duty' and 'Board being sued.' If Mr. Folkers wants to go into court the village would be defending its position in not granting his request."

"The board wants all Frankfort citizens to know that it is studying the action with the best interests of the village in view."

Mr. Sangmeister and the board as a whole should be commended for their conscientious action in the matter. The publicity given by other papers never explained what Mr. Folkers is requesting and why.

**TAX INCREASE
EXPLAINED BY
COUNTY CLERK**

The increased Frankfort tax rate of 6.11 over last year was explained by County Clerk Joseph H. Hartley Wednesday after Village President George Sangmeister announced that local citizens should have an explanation of why the rate is so much higher than in surrounding communities.

The County treasurer will have cards out in the near future, Hartley said, showing the rate for every township. He stated that Elementary school district 157 is higher by .35 this year because it was \$39,487 for 1953 as against \$38,132 in 1952. The education called for \$30,000 compared with \$11,910 in previous year.

Bonds and interest also are more, he stated. The building fund accounted for \$6,500 in 1953 whereas it was \$2,000 in 1952.

**Mrs. Erdman's
Chimney Burns**

Excitement reigned in Frankfort about 10 p.m. Tuesday night when the chimney of Mrs. Sadie Erdman on Locust street burned out, shooting flames and cinders all around.

Several homes and a nearby garage, and Mrs. Erdman's garage were endangered for a while, but there was no damage to her home. The Volunteer Fire department had to stand by while the conflagration burned itself out, in case it spread elsewhere.

The diamond is the birthstone for the month of April. A cul de sac is an argument that leads nowhere.

**Protest Building
Without Permits**

Ray Walls, contractor of Worth, appeared before the Mokena village board when it met Tuesday evening and petitioned the board for a permit to build a home on a three cornered lot on Bonness street. The board did not grant his request because it might prevent the village from building a street in that area of sufficient width.

Trustee Ed Hentsch made a protest that residents of Mokena are remodeling and improving their property without securing a permit from the clerk to do such work.

Three property owners on Revere street in the north section of the McIntosh subdivision asked the board to make the street passable and also to extend the water mains to their street. The board stated they would add some gravel to help improve the street but they were unable to extend the water main as yet, as that would cause a dead end in the line, which the village does not want.

It was reported that several car owners of the village have not yet secured their vehicle license tags. They are to receive notice to that effect at the regular price of \$5.00. If it becomes necessary to collect same, collection charges will be added to the \$5.00. The rate was \$3.00 up to March 1.

At the next board meeting in April Dr. George Lengrich, veterinarian of Mokena will be sent and will help the board to plan for inoculating dogs for rabies. The board will also set up a rabies quarantine.

W. A. Muehler was present requesting the board to give their approval to his plan to subdivide a plot of ground he owns west of Wolf road, between First and Second streets. This board referred to the Street and Alley committee.

Complaint has come to the board about the village property back of the village hall being allowed to grow wild. George Bills, chairman of the village property committee stated that the plot would be leveled and seeded to grass this spring.

Two applications have been received for additional policemen for the village. These applicants will meet with the police committee, David McMillan, Charles Burkhardt and Russell Anderson, for consideration.

The Mulford Engineering company of Chicago Heights has been notified that they have been engaged for the street improvement program for Mokena as outlined previously.

**RABIES THREAT
ON SASS FARM**

The pet cocker spaniel of the Loren Sass family who live on a farm west of Marley died of rabies last Wednesday night.

The dog began acting in an unusual way the Friday before, when he refused to eat. The same day he growled and fought with the other dog owned by the Sasses. Saturday he fought with a neighbor's dog. These things were all taken rather nonchalantly until Sunday evening, when the dog followed Mr. Sass into the barn and immediately bit a heifer on the nose. Then Mr. Sass became alarmed and tied the dog up. He was informed by the veterinarian that the animal would have to die of natural causes before a diagnosis could be made. The dog gradually weakened and died Wednesday night. Thursday morning Mr. Sass accompanied by James Frazer took the dog's head to the Illinois State department of Health in Chicago. The report was positively positive--rabies.

Since no member of the family was actually bitten, their physician advised them that they would not have to take the anti-rabies shots. The heifer and the other dog were inoculated and are being kept under close observation.

It is believed that the dog contracted the disease from a stray dog.

**BANK TELLER FOILS FALSE
SIGNATURE RACKET IN HOMER**

An attempted "get rich quick" scheme with a few slight variations of old time methods was foiled by the timely perceptions of a Lockport bank teller last Wednesday.

A vivacious young blond accompanied by a nice looking young man, were admitted to a Homer township home and after engaging the man of the house in pleasant conversation for several minutes, the lady asked him to write his name and address on a folded slip of plain paper.

This she explained would help her win a scholarship from a magazine agency, which would in turn assist her in training to become a nurse. The man, she said, was her brother-in-law who had just returned from the army where he had been in a Korean prison for a year. He was now a recruiting officer, according to their story which was mostly told by the woman.

She also claimed she had lived in the vicinity, that her father knew the Homer man well also she had met several of his relatives and neighbors, who had told her the elderly man would assist her by giving his signature. As this seemed a harmless way of helping a lady in distress, the Homer man who was alone at the time, obliged by writing his name, and the pair departed happily in a station wagon. It was found later they hadn't called on the relatives.

A few minutes later the couple arrived at the Lockport bank with a check for \$82 over the signature. Thinking the check looked a little irregular, the teller called the Homer resident and found it should not be cashed.

IN MEMORIAM

HUTSON, Mary Lou, In memory of your birthday March 9. Loving memories never die. As years roll on and days pass by.

In our hearts a memory is kept Of one we loved, and will never forget.

MOM, SISTER AND BROTHER

A Christmas tree kept for the return of a Mokena soldier, provided a welcome home recently in the Richard Kirk Sr. home, Woodland circle. Some of the gifts intended for Richard Kirk, Jr., who came home to be married, were sent him during the holidays and some were saved for his return. The Kirks' two youngest grandchildren, Ricky and Sharon Purler, New Lenox, attended the "Christmas Party" and gift opening.

Mrs. Richard Kirk Jr. was feted with a miscellaneous show given Feb. 2 in the home of Mrs. Kyril Kirk, Chicago, and with Mrs. Robert Peterson and Mrs. Richard Kirk Sr. as co-hostesses. Mrs. Richard Purler also assisted.

Refreshments were served, and the large white cake was decorated in the bridal motif. Mrs. Kirk received many lovely gifts from friends and relatives. The young couple was married Feb. 14 in the Mokena Methodist church.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

The regular monthly meeting of the Maue PTA will be held in the school Wednesday evening, March 10. There will be an election of officers. A talk on health by Mrs. MacDougall, Cook County health nurse, will be the feature of the evening's program.

The square dance sponsored by the Maue PTA in the school Friday evening, was well attended and enjoyed by all. Much credit for the success of the affair goes to Mr. Robert Laing, Orland Park, who gave of his time to call and instruct. There was a small charge for doughnuts and punch to cover expense.

Chal Williams, son of Mr. and Mrs. Chester Williams, was one of the 10 Orland-Palos high school students to be elected to the National Honor society. Chal is a Junior.

Delegates from the Maue PTA to attend the South Western area council meeting of District 19 at Orland Park school Tuesday were Mrs. Chester Williams, Mrs. Charles Henning, Mrs. Roy Walker, Mrs. Raymond Knieriem. A picture "Drop in the Bucket" explaining fluoridation of water was shown through the courtesy of the Chicago Dental society.

Mrs. Chester Williams, president of the Maue PTA, attended an all day meeting of District 19 in Blue Island Wednesday. Mental Health was the subject of the morning's program. Dr. Freda S. Kehm spoke on "How Parents Meet the Emotional Needs of the School Child."

In the afternoon Mrs. Smythe of Blue Island State parliamentarian, spoke on nominations and elections.

Saturday evening Mr. and Mrs. Stuart Culp saw a movie "The Glenn Miller Story" in Joliet and stopped at the Moose lodge in Lockport for refreshments and dancing.

Mrs. Charles Stewart, Wooded Estates correspondent, and Mrs. Edward Mrosek who writes for Alpine, managed to really get acquainted Saturday afternoon when they accompanied Dr. Flynn, veterinarian of Park Forest, to various homes in their respective districts where he inoculated dogs against rabies.

"Because of the recent order of the County rabies' inspector, all dogs in Cook County, regard less of whether or not they are kept leashed or confined, must be vaccinated against rabies," he said. Reports that rabid animals have been found near this area

make it even more urgent that residents take the problem seriously.

Unless his schedule is changed, the veterinarian will be in this district again Saturday afternoon, March 6. Mrs. Stewart and Mrs. Mrosek will be glad to take the names of anyone desiring his services while he is in the neighborhood.

Little Conny Sue Splitek is staying at the home of her aunt, Mr. and Mrs. Henry Felsch while her parents, Mr. and Mrs. James Splitek of Chicago, are vacationing in Florida.

Mr. and Mrs. Henry Felsch, daughters Sandy and Patsy, and niece Conny Sue, were guests of Mr. and Mrs. Joe Pelouquin Saturday evening. A lunch was served at midnight.
